ಶ್ರೀ ಕೆ. ಹನುಮಂತಯ್ಯ.—ಎಲ್ಲರ ಜೀವನಕ್ಕೂ ಸರ್ಕಾರ ಏರ್ಪಾಡು ಮಾಡುವುದಕ್ಕೆ ಸಾಧ್ಯವಿಲ್ಲವೆಂಬುದು ತಮಗೆ ಗೊತ್ತಿದೆ.

### Scheduled Castes (Action taken on recommendations of Commissioner)

Q.—348. Sri G. DUGGAPPA (Holalkere—Scheduled Castes).—

Will the Government be pleased to state:—

the recommendations of the Commissioner for Scheduled Castes and Tribes (Central Government) to the State Government and action taken thereon by this Government?

A.—Sri K. HANUMANTHAIYA (Chief Minister).—

The recommendations made by the Commissioner in his report for 1954, and the action taken to implement them are detailed in the Statement appended.

*Sl. No. Recommendations made by the Commissioner for Scheduled Castes and Scheduled Tribes.*

1. A concerted effort should be made by all non-official agencies (political, social and religious) to have a country-wide propaganda aided by Government, for the removal of untouchability.
2. The officials who come in direct contact with the people should be given general instructions to educate the masses about their moral responsibilities in eradicating the practice of untouchability.
3. Free legal aid should be provided to the Scheduled Caste people to help them in dealing with the cases arising *inter alia* out of the practice of untouchability.
4. The State Government should maintain lists of Government and Government aided schools and hostels where students belonging to Scheduled Castes are not admitted and in which untouchability is practised with them in matters like drinking water.
5. Separate chapters on the subject should be compulsorily introduced in all prescribed courses of study for Schools and Colleges.
6. Common messing should be introduced in all hostels attached to Government and Government aided schools and colleges.
7. Provision should be made for digging of common wells in the villages.

*Action taken by the State Government.*

Grants are being given to the Mysore State Harijan Sevak Sangha to carry on propaganda in the State for removal of evil of untouchability. The question of giving grants to other institutions in this behalf is being examined.

This is being done as part of the programme of Harijan Day Celebrations in the State.

Offences under the Mysore Removal of Civil Disabilities Act and Mysore Temple Entry Act (now repealed in view of the Central enactment—Untouchability (Offences) Act, 1955) were declared cognizable and prosecutions were being conducted by the Police. The Harijans are not put to the necessity of obtaining legal aid by payment in such cases.

Untouchability is not practised in any of the Government Schools or Hostels. The pupils of the Scheduled Castes are not now admitted in some aided schools but action has been taken to persuade the management of such institutions to admit them.

Instructions are also issued that no grants will be given for the hostels meant for students of particular communities. The matter is under examination by Government.

Action is being taken in this behalf.

While wells are newly constructed at Government cost, preference is given to villages where people agree to make them available to Scheduled Castes.

(SRI K. HANUMANTHAIA.)

10. Social and religious functions should be organized frequently with Government aid, in which Scheduled Castes should be asked to participate on equal level with non-scheduled castes.
11. The State Government should maintain a list of villages where Scheduled Castes will suffer from social disabilities.
12. The State Government should take measures to persuade the people to give up practice of untouchability.
13. The State Government should take measures—Legislative and Executive to ensure security of land tenure to Scheduled Castes and Tribes.
14. The State Government should allot lands to Scheduled Castes and Tribes without consulting Gram Panchayats.

No legislation is undertaken for this purpose but the orders incorporated in the Land Revenue Rules which have the force of Law, Lands granted under these concessions are made inalienable for a specified number of years. Government have also accepted the principle of reserving 20 per cent of available land for grant to Scheduled Castes in villages where the extent of available land exceeds 25 acres.
